Have you previously held any public office? (Please specify)  
Response: No

1. The 1973 U.S. Supreme Court decisions in Roe v. Wade and Doe v. Bolton did more than just "legalize" abortion-on-demand; they prohibited virtually any federal, state or local laws from protecting pre-born children from death by abortion throughout all nine months of pregnancy. Do you support reversal of Roe v. Wade and Doe v. Bolton?  
Response: Yes

Comments  
Response: I not only support the reversal of Roe and Doe, but I would like to make it a criminal act to kill an unborn baby from conception until birth.

After child-killing is made illegal, I would seek criminal prosecution for abortionists that killed babies while it was legal.

2. Do you support federal and state legislation to ban abortion-on-demand from fertilization to birth?  
Response: Yes

Comments  
Response: I would like to be one of the members of Congress that casts a vote to criminalize abortion.

3. Do you support legislation that prohibits distributing tax money for any reason to organizations that promote or perform abortions domestically and in foreign countries?  
Response: Yes

Comments

Response: John Boehner has had multiple opportunities to defund Planned Parenthood and has compromised with the child-killers.

4. Do you oppose abortion being funded, subsidized, or otherwise promoted in government programs or education?

Response: Yes

5. Do you oppose any legislation that promotes or encourages healthcare rationing for the elderly and other vulnerable people?

Response: Yes

Comments

Response: Rep. Steve King submitted a proposal to totally defund Obamacare, John Boehner and his Rules Committee rejected this proposal.

6. Do you support conscience protection legislation for healthcare workers who do not want to participate in abortions or other immoral practices?

Response: Yes

10. Will you vote for leadership in the Ohio House/Senate who upholds pro-life principles?

Response: Yes

Comments

Response: Yes, but only if they are truly pro-life. I would ask the question, "Would you vote for legislation that makes it a criminal act to kill an unborn baby?" If they answer no, they are not pro-life.

11. List all organizations to which you have contributed time or money in the past four years.
